

THE PREMIER OF ALBERTA

307 Legislature Building, Edmonton, Alberta, Canada T5K 2B7 Telephone 403/427-2251

October 1985

TO WHOM IT MAY CONCERN

Ron Liepert has served with me, as Press Secretary to the Premier of Alberta, since January of 1980.

This is one of the most difficult and demanding assignments in public life. Mr. Liepert has been responsible for press relations between the Premier and all Ministers, with the media, during this period. He has also been responsible for advising me on all media matters including the manner of response to contemporary issues and important events.

Mr. Liepert served in this capacity during the challenging period of Alberta's response to the National Energy Program and the constitutional debates. In his capacity he worked closely with the other ten governments in Canada.

Mr. Liepert has exhibited not only an outstanding record of performance but as well a high degree of character and integrity.

His greatest strength is perhaps his old-fashioned fundamental virtue of good communication sense.

I highly recommend him for management and communications responsibilities in a wide variety of circumstances and challenges.

Sincerely yours,
