Dear Ron:

With all the THANK YOUS and accolades passing back-and-forth, I wanted to write you to personally thank YOU for including me in the very first discussions about a farewell party for the Winsers, and for your continuing involvement in the affair up to, during, and beyond its having taken place. What an evening! What a fitting "tribute" to our "FIRST CANADIAN COUPLE" in the Los Angeles region. And hey, what a veritable 'coup' for the-spirit-of-Canada, when three Albertans (you, Dennis, and me) and one Brit can accomplish planning a party to send-off a couple back to Quebec!! Whew!!!

To borrow a phrase, our Canadian community in Los Angeles has..."come a long way"...injected with the spirit and enthusiasm of Joan and Frank; and the party did seem a fitting "tribute" to all their efforts over these past five years.

So, again, THANKS for everything. Taking on the job during "Pilot Season" seemed somewhat foolhardy at the time, and probably was, but I wouldn't have missed it for anything. I think we've collectively laid the foundations for some pretty spectacular "Canadiana" in the future.

All the best,
