

Ron Liepert ***for Edmonton*** ***Highlands-Beverly***

I made the decision to enter public life because I am concerned about our future. With the leadership of Ralph Klein, together we can build a more prosperous tomorrow.

Getting spending in line with revenues, taking tougher positions on crime and ensuring Alberta continues to have a well-educated and well-trained workforce, will be my three priorities.

As someone with extensive experience in the public and private sectors, and presently the owner of a small business, I will be a strong effective voice for all residents of Highlands-Beverly. I am meeting with you in your community centres and knocking on your doors to listen to your concerns and ideas.

Today is a new beginning for our constituency. The time for Highlands-Beverly to have an effective voice within government caucus is long overdue. Please support me, Ron Liepert, as your MLA on Ralph's team.
