

October 14th, 81

Dear Ron & Linda,

I hope I didn't mess up the photos too bad.
Thanks for the pictures.

Another season has come to an end. With the
strike in the middle, it put a damper on the
81 season. Big & better things for 82!

Just wanted to say a quick Hi! Thanks
for dropping a line. He's wishing you & Linda
the very best in the future. Keep in touch!

Yours truly,
Jerry.
