

**With sincere appreciation
for all you've done.**

Dear Ron,

Thank you so much for the vital role you played in the 1985 National In. Mens' Softball Championship. I appreciate the confidence you had in my ability to chair the committee but I am especially appreciative of all the guidance and leadership you provided all through the exercise. I regard my involvement as a rare opportunity to work with an excellent committee and some very special individuals like yourself. I have served on dozens of committees over the years but never on one with such a prevailing spirit of co-operation and dedication.

I have high regard for the contribution you have made and continue to make to Softball and will cherish my memories of working with you for life.

Sincerely

Edna
