RE: GOVERNMENT RELATIONS TEAM

I am pleased to announce that Lyn Brown and Ron Liepert, formerly of Corporate Communications, have joined Steve Boyd and Michael Jurijew in the newly created TELUS Government Relations area, effective immediately. Both Lyn and Ron bring a wealth of experience in public affairs, communications, and political expertise to address the issues facing the TELUS Group with this key stakeholder group.

As the Government Relations department is in the process of taking shape, all Government Relations staff will report directly to me. As an interim measure, to ensure that commitments made to customers in Judy Williams area are honoured, both Lyn and Ron will continue to provide assistance in the client liaison and media relations functions.

Congratulations to Lyn and Ron in accepting this new challenge.

James H. Pratt
Vice President
Government & Public Affairs
