EDMONTON GLENORA PROGRESSIVE CONSERVATIVE ASSOCIATION

December 27, 1996

Dear Fellow Constituent:

During the last week of November, 1100 residents of the new provincial riding of Edmonton-Glenora cast ballots to nominate a Progressive Conservative candidate for the next provincial election. The participation in the nomination process speaks well of our chances in that election and, as the candidates who vied for the nomination, we would like to thank you for making the commitment to purchase a membership and vote.

As you know, a provincial election is expected early in 1997. We would like to encourage you to continue your involvement as we strive to bring Edmonton-Glenora's voice back to the government table. We can do that by electing a Progressive Conservative member to the Legislative Assembly. Your time, and especially your vote, will help make that a reality.

The campaign has already begun. Volunteer registration is underway and we are now trying to secure locations for lawn signs which can be installed once the election is called. If you can help out in either way, it would be greatly appreciated. You can contact the campaign office by calling 455-1874.

As an official kick-off to the campaign, we will have the grand opening of the campaign office, located in the former Royal Bank at 151 Street and Stony Plain Road on Thursday, January 9, 1997. Please join us between 5:00 and 9:00 p.m. and meet our team and members of the Klein Government.

We look forward to seeing you.

Dear Ron:

Just a note to express our sincere appreciation for your hard work and cooperation during the election campaign.

While we may not have won your constituency, the efforts of your campaign team will be very helpful in building for the future.

As our leader said on election night, it was a team effort by all the campaigns that helped to ensure our overall victory. The support which you gave to your candidate and campaign team is much appreciated.

On behalf of the Provincial Campaign Team, thanks again. It was a pleasure working with you!

Sincerely,

Peter
